Dear Sir/Madam,

We are **SC Racers**, a **Formula 1 team** made up of six grade 12 students that will be participating in the **F1 in Schools National Competition** at Kellett School, Kowloon Bay, Hong Kong. Our team is representing Sha Tin College (ESF). The National Competition takes place during May/June of 2016 and will be attended by judges from around the world and teams, visitors and possibly even the media from Hong Kong.

We seek sponsorship to help us buy all the resources and materials required to guide us towards our ultimate goal: Success in the World Finals in Austin, Texas.

We would be extremely grateful if you would help us, via sponsorship, to achieve our goal. As part of a sponsorship package your company's logo will appear on our team uniform, which includes a range of specially designed race shirts, or direct branding on the car itself. Your name will be visible and prominent throughout the competition.

If this project is of interest to yourself and your company and you would like to find out more about this initiative then please contact me direct for further details and indication of the level of sponsorship you are willing to offer.

Any monies forwarded should be via a cheque and should be made payable to 'Sha Tin College', a receipt of your sponsorship donation will be issued by return.

We would be honoured if you would support us and sponsor our team. Should you have any further queries or questions then please do not hesitate to contact me.
